

FOCUS Impact Fellows 2020-2021 Program Calendar

The Impact Fellows runs September-June, and all sessions are full days unless otherwise noted. In-person program days will be held at the FOCUS office or sites around the St. Louis region. Virtual sessions may be scheduled as required by social distancing guidelines.

Please plan to spend time outside of the program days for individual and group work. The amount of time will vary depending on the project selected, but could include conference/video calls, small group meetings or research, as determined by the class.
