Founded in 1976, Leadership St. Louis is one of the most highly-respected leadership development programs in the nation. The program was built on the belief that community, just as any business or organization, requires strong leadership to grow and improve. Graduates of the program include CEOs and senior level executives, entrepreneurs, elected officials, educators, attorneys, nonprofit directors and public servants. The common ground under this wide array of participants is a deep and active commitment to community improvement and making our region stronger.

Who Should Apply

If you are an experienced leader who wants to gain a deeper understanding of the St. Louis region, explore collaborative civic leadership and build connections across sectors, you may be a great fit for Leadership St. Louis.

Like all of our leadership programs, Leadership St. Louis welcomes applicants from all backgrounds, industries and sectors.

Many graduates describe the experience as “transformational,” arming you with the tools, resources and connections to lead more effectively in your personal, professional and civic life. Upon graduation, you’ll also become part of the network of more than 10,000 FOCUS program alumni.

WHAT TO EXPECT

Curriculum

The LSL experience is immersive, bringing you out in community to see and learn firsthand about the challenges and opportunities facing our region. On any given program day, you may be:

• Talking with police, prosecutors, victims and past offenders about the justice system
• Touring nonprofit agencies to understand the social services safety net
• Discussing leadership challenges with the CEOs of the region’s largest employers
• Going backstage with the directors of area arts organizations
• Visiting area schools to explore best practices and educational gaps
• Weighing state and local priorities with officials in Jefferson City

The Leadership St. Louis program is designed to challenge your thinking, expose you to new ideas and perspectives and promote discussion, reflection and action. You’ll also benefit from unparalleled access to community leaders and forge lasting connections with your cohort.

Commitment

Leadership St. Louis is a nine-month program, with one or two full-day sessions each month from September to May. It also includes an opening and closing overnight retreat. Applicants must have the ability to attend all sessions (barring emergencies) to be eligible for participation in Leadership St. Louis.

“To me, the most valuable aspect is exposure - to topics, programs, organizations and people who are impacting our region every single day.”
Tony Zagora
