Since 1989, the Youth Leadership St. Louis (YLSL) program has been informing, connecting, preparing and empowering high school students to become civic and community leaders.

An internationally recognized program of FOCUS St. Louis, YLSL brings together high school juniors from around 30 public, private and parochial schools across the region, as well as Girl Scouts of Eastern Missouri.

**What Makes It Unique**

Youth Leadership St. Louis is the area’s only established inter-district high school program that is non-competitive in nature. No other program brings together such a large and diverse group of students – 150 students representing 55 ZIP codes.

Upon completing the program, students report and demonstrate:

- An increase in leadership skill level and positive decision making
- Greater understanding of issues affecting the St. Louis region
- An increase in knowledge relating to diversity and willingness to interact more frequently with persons different from themselves
- A desire to become more involved in their community

“YLSL impacts students’ lives by taking them to real places in our region and confronting them with the complex challenges and opportunities that leaders must face.”
- YLSL Advisor

**WHAT TO EXPECT**

Youth Leadership St. Louis takes students out of the classroom and into the community to explore what leadership means in our region – and help them develop their own leadership potential.

**Curriculum**

Each program day immerses students into a different issue in the region, giving them the opportunity to connect and learn from community leaders, collaborate with their peers and put their leadership skills into action. Topics include:

- Experiencing St. Louis
- Exploring Health Care
- Perspectives on Criminal and Juvenile Justice
- Valuing Diversity
- Understanding the Effects of Discrimination
- Realizing Poverty
- Leadership and Social Responsibility
- Power of Education

**Commitment**

The YLSL program kicks off with opening retreat in October and runs through April, meeting one to two days per month (except in December).

Program days, held during school hours and select Saturdays, include a combination of team-building exercises, experiential learning activities, site visits/tours, and dialogue with community leaders.

For the 2020-21 school year, plans are already underway to adapt our program for several possible social distancing scenarios, including virtual, small-group and in-person sessions.
Application Process
YLSL selection begins in the spring of sophomore year and is administered by participating high schools. Advisors at each participating school distribute student applications. Community and school leaders conduct interviews to select class members, and students are notified by their schools of their selection.

Program Cost
Funding from various companies, foundations and individuals enables FOCUS to offer the YLSL program for only $500 per student. In most cases, the fee is paid by the school/district. Thank you to the following donors for their generous support of the YLSL program:

- Cardinals Care
- Mary Ranken Jordan & Eddie A. Jordan Charitable Foundation
- MOHELA
- Nestle Purina PetCare Company
- Reinsurance Group of America, Inc. (RGA)
- Saigh Foundation
- Stupp Foundation
